A. The entire balance of loan and interest outstanding on 30th June '05 were ordered to be recovered in 20 equal annual instalments, Vide Govt. Proc. Nos. 1457-9 / 52.05-5 + 57454-7 / 53-05-25 dt 1/9/05 & 12/3/06 - The demand is calculated accordingly.

B. The above order is applicable also to this. But as fresh advances are being made year after year there is some difficulty in fixing the annual demand. Hence the whole advance is shown as demand.

Office of the Revenue Commissioner in Mysore,

Dated Bangalore, 24th September 1907.

Dear Mr.Balasundaram Iyer,

Referring to your office No.Fl.1100/B.16-07-2 dated the 4th instant calling for early submission of the statements of repayment of loans obtained by the Agricul--tural Banks in the several Districts, I am desired by the Revenue Commissioner to state that the statements for all the Districts except Tumkur, Bangalore and Mysore have already been submitted to Government. The Deputy Commission--ers of Tumkur and Bangalore have not yet reported as having submitted the statements to Government; while, the Deputy Commissioner of Mysore reports (copy of his letter is herein enclosed) that the delay on his part is due to his not having received the necessary statements from the Amildars of Mandya and Seringapatam in spite of telegrams and reminders issued to them for the purpose.

I am,

Yours sincerely,

Asst. to the Rev.Commissioner.

SIR,

In continuation of this office letter No. 1530/191 dated 16th September 1907, I have the honour to submit for the orders of Government a revised statement shewing the balances of loan to ... Agricultural Banks outstanding at the end of the year 1906-07 as per final accounts for the year together with my review thereon.

It will be seen from these that while the amounts outstanding are large the recoveries made are small. Except a few .. banks in the Shimoga, Kolar, Tumkur and Mysore Districts all the banks are heavily in arrears, and no satisfactory progress is made in recovering the dues even from such of the banks as have been ordered to be wound up. I, therefore, beg that Government may be ... pleased to issue orders for the early adjustment of these loans and for more punctual recovery of the amounts due.

I have the honour to be,

Out of this, Rs. 57,355-14-9 were collected up to the end of the year, leaving a balance of Rs. 87,047-4-7 still to be repaid. In addition to the above a sum of Rs. 3,205-10-6 was also due from the banks on account of interest.

Two of the above banks, *viz.*, those at Vadigenahalli and Tavarekere, were ordered to be wound up, and the balances outstanding against them at the end of the last year were Rs. 4,792-1-3 and Rs. 5,174-0-0, respectively, on account of the loan and Rs. 762-4-3 and Rs. 84-0-3, respectively, on account of interest. The Deputy Commissioner who was requested to intimate to this office the action taken for recovering the dues, reports in regard to the bank at Vadigenahalli that strict orders have been issued for the early recovery of the arrears. No report has yet been received in regard to the other banks. In the case of the Ardesahalli Bank, Government have since ordered that the whole of the amount due, *viz.*, Rs. 4,009-0-1, towards principal and Rs. 182-10-11 towards interest should at once be withdrawn. *Vide* Government Order No. Fl. 1400-3—B. 20-07-2, dated 23rd September 1907. The Deputy Commissioner has since intimated that the Amildar has been directed to report the progress made in this connection.

Kolar District.—Out of a loan of Rs. 53,000 granted to the four banks in this District in 1897-98, Rs. 37,900 were outstanding in 1906-07, of which Rs. 20,356-1-7 were realized to the end of the last year, leaving a balance of Rs. 17,543-14-5 still to be paid. The amount of interest due was Rs. 16,848-0-9, of which Rs. 3,378-3-4 was still in arrears. These arrears of loan and interest are due from only three banks, *viz.*, the Sabbanahalli, Thippanahalli and Muduvatti Banks which have all been ordered to be wound up. The Deputy Commissioner reports that coercive measures are being adopted for the recovery of the balances of loan and interest due by the first two and that the members of the Muduvatti Bank have promised to pay up the amount due by that bank in eight years commencing from June 1907. But the instalment due was not paid and the Deputy Commissioner intimates that he has instructed the Amildar to recover the amount early. The Honagenahalli Bank has repaid all the instalments due with interest.

Tumkur District.—Out of a loan of Rs. 99,500 sanctioned for the eleven banks of this District, Rs. 68,770 were outstanding in 1906-07, of which Rs. 53,315-5-4 were paid up to the end of that year. The balance of loan and interest outstanding at the end of that year was Rs. 15,554-10-8 (exclusive of the sum of Rs. 100 paid by the Haldodderi Bank in excess of the instalment due) and Rs. 1040-10-3 respectively. Except in the case of the Manchagalkoppa, Kyatsandra, Kadagathur, Chiknayakanhalli and Rampura Banks which owe Rs. 2,310, 2,225, 2,915, 3,750 and 1,615 respectively on account of the loan and Rs. 155, 151, 148, 280 and 132 respectively on account of interest, the balances due from the other banks in the

District are small and appears to be easily recoverable. The Deputy Commissioner has been asked to take steps to recover these early. The members have promised to repay the balance due towards loan and towards interest due from the Kyatsandra Bank, *viz.*, Rs. 2,225 and Rs. 151-7-3 by the end of December 1907, and the Government have been pleased to grant them this time in their Order No. 507-9—B. 8-06-10, dated 2nd August 1907.

Shimoga District.—Out of the total amount of Rs. 1,20,100 advanced to the banks in this District, Rs. 83,466-10-8 were outstanding in 1906-07, of which Rs. 59,742-3-3 were repaid to the end of that year leaving a balance of Rs. 30,724-7-10 still in arrears, exclusive of Rs. 7,000-0-5 paid by some of the banks in excess of the instalments due by them. There is also an outstanding balance of Rs. 5,595-2-7 on account of interest. Out of the above, the banks at Issur, Churchgundi, Haromachadi, Somalapur, Nallur, Honnali, Santebennur, Gogga, Hitla and Salur account for Rs. 25,310-15-10 and Rs. 4,952-4-6 respectively, and these amounts were ordered to be recovered before the end of December 1906. Nothing however has been received up to date from any of these banks except the small sum of Rs. 3,171-10-0 paid by a few of them towards the arrears of instalments due and another of Rs. 3,309-10-11 which it is reported has been recovered from the Honnali Bank by sale of the lands hypothecated to Government. The banks at Nyamti, Vitagondakere, Siralkoppa, Archada, Kolgumsi and Ganesankuni have almost repaid in full the loans granted to them by paying some of the instalments in advance.

Government Order No. 4524-5—B. 26-04-2, dated 17th January 1905.

Chitaldrug District.—Of the three banks Talya, Malebennur and Mullapur in this District the loan given to the Malebennur Bank has been repaid though there is yet a sum of Rs. 93-7-2 due by it on account of interest. The bank at Talya which still owes Rs. 4,377 on account of the loan and Rs. 335-5-2 on account of interest has been ordered to be wound and the Deputy Commissioner reported in July 1907 that coercive measures would be taken for recovering the amount due. The Mallapur Bank has paid only Rs. 1,960 against the instalment of Rs. 4,900 due by it. The balance still due by the bank on account of loan and interest amounts to Rs. 2,940 and Rs. 263-7-3 respectively.

Government Order No. Fl. 2705-8—B. 26-06-2 dated 10th October 1906.

Mysore District.—The total amount of loan granted to the ten banks in this District was Rs. 2,13,000, of which Rs. 1,10, 666-10-8 were outstanding in 1906-07. Rs. 79,291-2-1 were paid up to the end of 1906-07, leaving a balance of Rs. 36,563-0-9 still to be recovered excluding Rs. 5,187-8-2 paid by the Palhalli Bank in excess of the instalment due by it. Interest amounting to Rs. 61,972-13-0 were also recovered to the end of 1906-07, and the arrears on this account at the end of the last-official year amounted to Rs. 7,087-9-3. The banks at Mandya, French Rocks, Satnur, Saragur and Chamrajnagar, which were ordered to be wound up, account for Rs. 20,193-9-8 and Rs. 6,244-8-4. The Saragur Bank has since paid up nearly the whole of the arrears due, and the Chamrajnagar Bank has been ordered to be revived pending receipt of further report in the matter. This revival is said to have been effected under the authority of Government Order No. Fl. 9025-26—332-06 of the 7th June, but the Government Order quoted has not been received in this office. Except in the case of the above two banks, no action appears to have been taken to recover these balances.

Kadur District.—This two Banks of Ardikoppa and Sakrepatna which owed in 1906-07 Rs.10,648-5-4 and Rs. 5,650 respectively on account of the arrears of instalments and Rs.1,565--2-4, Rs. 1,200-15-4 respectively on account of interest, were ordered to be wound up and the arrears due by them were directed to be recovered from the members individually in ten annual instalments in the case of the Sakrepatna Bank and in fifteen instalments in the case of the Ardikoppa Bank. The first instalment which was due in June 1907 remains still unrecovered and the Deputy Commissioner to whom this default was communicated reports that the accounts of the two banks are being audited and that it is not possible at this stage to fix the amount of the annual instalment payable by the members. A balance of loan amounting to Rs. 10,201-15-8 and interest to Rs. 17,221-7-2 are due by the members of the Chikmagalur Bank towards their loan account as well as Rs. 275-5-8 and Rs. 393-7-10 respectively towards advances made for working expenses and interest thereon. The Deputy Commissioner who was asked to report the steps taken by him to recover these balances states that notices have been issued to the members to pay the amount and that their reply is awaited.

Hassan District.—The only in this District is the Saklespur Bank and the instalments due by it in 1906-07 on account of the loan of four lakhs of rupees and the interest due thereon amounted to Rs. 39,712-11-8 and Rs. 28,753-5-4 respectively. The balances of loan and interest outstanding on 30th June last after crediting the recoveries made during the year were Rs. 32,044-15-9 and Rs. 19,056-5-10 respectively. The amounts of Rs. 16,980-0-11 and Rs. 268-5-10 were also outstanding against the same bank at the end of 1906-07 on account of advances made to it to the extent of Rs. 84,297-5-9 for working expenses and the interest that accrued thereon. The entire balance of loan and interest outstanding against the

Financial (Banking), dated 1st February 1908.

bank and also the advances made for working expenses up to June 1905 were ordered to be recovered in twenty equal instalments. The balance of advances shown above includes all the advances that have been made for working expenses year after year subsequent to June 1905. In Government Order No. 2407-10—R. F. 100-96, dated the 28th November 1902, it has been ordered that only such sums as are necessary for the up-keep of the estates and can be got back from the crops of the year should be advanced for working expenses. But the advance made by the Deputy Commissioner to this bank in 1906-07 does not satisfy this condition as may be seen from the figures furnished in the margin. The Deputy Commissioner who was requested to explain the large outstanding balance reports that the crops which were promising when the advances were made yielded much less than the estimated quantity on account of the failure of the rains and other causes, and that it was therefore not sufficient to meet the advances as anticipated. As for recovering the arrears of instalment and interest due from the bank, the Deputy Commissioner states that it is impossible to do so as the members are unable to pay anything and that the matter is under correspondence with the Government.

Government Order No. 1457-9—B. 2-05-5 and 5454-7—B. 3-05-25. dated 1-9-05 and 12-3-06, respectively.

No. Fl. 3793-806—B. 16-07-14, dated Bangalore, 1st February 1908.

Order thereon.—According to the statements furnished by the Deputy Commissioners, the total amount of loans advanced to fifty-nine banks excluding to two late coffee banks at Saklespur and Chikmagalur, is Rs. 7,52,104. The instalments due by them towards the repayment of the above loans at the end of June 1907 amounted to Rs. 4,86,606-8-8, out of which Rs. 2,91,968-8-0, including therein the sum of Rs. 8,265-12-1 paid in excess by some of the banks, were recovered, leaving a balance of Rs. 2,02,903-12-9 in arrears at the end of the year as noted below. These arrears were due by fifty banks, only nine banks having paid up in full the instalments due. It is also noted that no amounts were recovered during the year from the banks at Muduvatti in the Kolar District, Seringapatam in the Mysore District, Somlapura, Santebennur, Joga and Issur in the Shimoga District, Ardikoppa and Sakrepatna in the Kadur District, and Mallapura and Talya in the Chitaldrug District :—

2. The balance of instalments left uncollected at the end of the year is heavy and ranges from 19 to 61 per cent of the total amount due. From the consolidated statement appended to this order, it is observed that only eleven out of the fifty-nine banks have paid up in full the interest due by them. In this connection the Comptroller also brings to notice that while the amounts outstanding are large the recoveries made are small, except a few banks in the Shimoga, Kolar, Tumkur and Mysore Districts, all the banks are heavily in arrears, and that no satisfactory progress is made in recovering the dues even from such of the banks as have been ordered to be wound up. The attention of the Revenue Commissioner is invited to para 8 of Government Order No. 2067-76—R. F. 38-1900 of the 10th November 1902, in which it was directed that in every case, the grant of permission to repay the Government loan by instalments should be made conditional upon the punctual payment of the interest every half year, and that the whole loan should be recalled

in case of default, either of payment of interest or any of the instalments fixed. It is very much to be regretted that there have been such heavy arrears both in respect of interest and instalments. The Revenue Commissioner is requested to issue needful instructions for the very early recovery of the outstanding arrears.

3. Among other differences that are observed between the final figures furnished by the Comptroller and those found in the statements submitted by the Deputy Commissioners, the following in respect of the arrears of instalments and interest outstanding at the end of the year, call for special notice. The attention of the Comptroller is invited to para 3 of Government Order No. Fl. 6089-99—B. 31-06-11 of 9th February 1907, and he is requested to take very early action in the matter and have the differences reconciled by furnishing extracts of his statement to the Deputy Commissioners concerned:—
